

BOND UNIVERSITY AND AUSTRALearn

SCHOLARS PROGRAM

The Bond Scholars Program was established in 2007 and is a specifically designed program for high achieving AustraLearn students that hold a GPA of 3.0 or above. Scholars have a unique opportunity to experience interactive seminars, professional development workshops and guest lectures from industry leaders.

Students who successfully attend the program will be invited to a breakfast and receive a commemorative certificate signed by the Vice-Chancellor acknowledging the student as a Bond Scholar. The networking opportunities provided during the program will also be very beneficial socially and professionally.

Seminar topics previously included in the Bond Scholars Program are:

- Australian Aboriginal Art
- But I Need Those Gucci Shoes! Exploring the World of Luxury Brand Management
- Can You Handle The Heat? Adaptation to Climate Change in Urban Areas
- Forensic DNA: From TV to Real.

PROGRAM REQUIREMENTS

High achieving students attending Bond University as part of the AustraLearn Study Abroad Program must hold a GPA of 3.0 or higher to be eligible to apply. The Bond Scholars Program is available to 20 students and is only offered in the January and September semesters at Bond University.

For more information about the Bond Scholars Program, or to apply please contact AustraLearn.
